Contract No. CC-HOSP001-94CORPORATION

THIS CONTRACT made and entered into by and between the United States of America, acting in this matter by the Secretary of the Interior, through the Director of the National Park Service, hereinafter referred to as the "Secretary," and the Buckstaff Bath House Company, a corporation organized and existing under the laws of the State of Arkansas, doing business as the Buckstaff Bath House Company, hereinafter referred to as the "Concessioner":

W I T N E S S E T H:

THAT WHEREAS, Hot Springs National Park, (hereinafter referred to as the "Area") is administered by the Secretary to conserve the scenery and the natural and historic objects and the wildlife therein, and to provide for the public enjoyment of the same in such manner as will leave such area unimpaired for the enjoyment of future generations; and

WHEREAS, the accomplishment of these purposes requires that facilities and services that have been determined to be necessary and appropriate for the public use and enjoyment of the area be provided for the public visiting the area; and

WHEREAS, the United States has not itself provided such

necessary facilities and services and desires the Concessioner to establish and operate certain of them at reasonable rates under the supervision and regulation of the Secretary; and

WHEREAS, pursuant to law the Secretary is required to exercise his authority hereunder in a manner consistent with a reasonable opportunity by the Concessioner to realize a profit on the operations conducted hereunder as a whole commensurate with the capital invested and the obligations assumed:

NOW, THEREFORE, pursuant to the authority contained in the Acts of August 25, 1916 (39 Stat. 535; 16 U.S.C. 1, 2-4), and October 9, 1965 (79 Stat. 969; 16 U.S.C. 20 et seq.), and other laws supplemental thereto and amendatory thereof, the Secretary and the Concessioner agree as follows:

SEC. 1. TERM OF CONTRACT. (a) This CONTRACT shall be for the term of ten (10) years from December 19, 1994, through December 19 , 2004.

SEC. 2. ACCOMMODATIONS, FACILITIES AND SERVICES. (a) The Secretary hereby requires and authorizes the Concessioner during the term of this CONTRACT to provide accommodations, facilities, and services for the public within the Area, as follows:

1. Hydrotherapy
2. Physical therapy
3. Health spa
4. Physical fitness

The concessioner may provide services incidental to the operation authorized hereunder at the request of the Secretary.

(b) The Secretary reserves the right to determine and control the nature, type and quality of the merchandise and services described herein to be sold or furnished by the Concessioner within the Area.

(c) This CONTRACT and the administration of it by the Secretary shall be subject to the laws of Congress governing the Area and rules, regulations and policies promulgated thereunder, whether now in force or hereafter enacted or promulgated, including but not limited to United States Public Health Service requirements. The Concessioner must also comply with applicable requirements promulgated by the United States Department of Labor's Occupational Safety and Health Act of 1970 (OSHA) and those provisions outlined in the National Park Service's Safety and Occupational Health Policy associated with visitor safety and health.

(d) In order to implement these requirements the Secretary, acting through the Superintendent and in consultation with the Concessioner, shall establish and revise as circumstances warrant, specific operating requirements in the form of an Operating Plan which shall be adhered to by the Concessioner. The Operating Plan established by the Superintendent shall not amend

or alter the material rights and liabilities of the parties to this CONTRACT.

SEC. 3. PLANT, PERSONNEL, AND RATES. (a)(1) The Concessioner shall maintain and operate the accommodations, facilities, and services described above to such extent and in such manner as the Secretary may deem satisfactory, and shall provide the plant, personnel, equipment, goods, and commodities necessary therefor provided that the Concessioner shall not be required to make investments inconsistent with a reasonable opportunity to realize a profit on its operations under this CONTRACT commensurate with the capital invested and the obligations assumed. The Concessioner agrees that the terms of this CONTRACT provide the Concessioner this reasonable opportunity to realize a profit.

(a)(2) All rates and prices charged to the public by the Concessioner for accommodations, services, or goods furnished or sold shall be subject to regulation and approval by the Secretary. Reasonableness of rates and prices will be judged generally by comparison with those currently charged for comparable accommodations, services, or goods furnished or sold outside of the areas administered by the National Park Service under similar conditions, with due allowance for length of season, provision for peak loads, accessibility, availability and cost of labor and materials, type of patronage, and other conditions customarily considered in determining charges, but due

regard may also be given to such other factors as the Secretary may deem significant.

(a)(3) The Concessioner shall require its employees to observe a strict impartiality as to rates and services in all circumstances. The Concessioner may, subject to the prior approval of the Secretary, grant complimentary or reduced rates under such circumstances as are customary in businesses of the character conducted hereunder. The Concessioner shall require its employees to exercise courtesy and consideration in their relations with the public.

(b)(2) The Concessioner shall review the conduct of any of its employees whose actions or activities are considered by the Concessioner or the Secretary to be inconsistent with the proper administration of the Area and enjoyment and protection of visitors and shall take such actions as are necessary to fully correct the situation.

(b)(3) The Concessioner shall, in addition to other laws and regulations which may be applicable to its operations, comply with the applicable requirements of (i) Title VII of the Civil Rights Act of 1964, as well as Executive Order No. 11246 of September 24, 1965, as amended by Executive Order No. 11375 of October 13, 1967, (ii) Title V, Sections 503 and 504 of the Rehabilitation Act of September 26, 1973, P.L. 93-112 as amended in 1978, (iii) 41 CFR, Part 60-2 which prescribes affirmative action requirements for contractors and subcontractors, (iv) the Age Discrimination in Employment Act of December 15, 1967 (P.L. 90-202), as amended by P.L. 95-256 of April 6, 1978, and (v) the Architectural Barriers Act of 1968 (P.L. 90-480). The Concessioner shall also comply with regulations heretofore or hereafter promulgated, relating to nondiscrimination in employment and providing accessible facilities and services to the public including those set forth in Exhibit "A" attached hereto and made a part hereof.

SEC. 4. GOVERNMENT LAND AND IMPROVEMENTS. (a)(1) The Secretary hereby assigns for use by the Concessioner during the term of this CONTRACT, certain parcels of land, if any, (as described in Exhibit "B" hereto) and Government Improvements, if any, (as described in Exhibit "C" hereto) appropriate to conduct the operations hereunder.

(a)(2) The Secretary reserves the right to withdraw such assignments or parts thereof at any time during the term of this CONTRACT if, in his judgement, (i) such withdrawal is for the purpose of enhancing or protecting area resources or visitor enjoyment, or safety or, (ii) the operations utilizing such assigned lands or buildings are terminated pursuant to Section 12 hereof.

(a)(3) Any permanent withdrawal of assigned lands or Government Improvements which are essential for conducting the operation authorized hereunder will be considered by the Secretary as a termination of this CONTRACT pursuant to Section 12 hereof. The Secretary shall compensate the Concessioner for any possessory interest it may have in such properties, permanently withdrawn pursuant to Section 13 hereof.

(b)(1) "Government Improvements" as used herein, means the buildings, structures, utility systems, fixtures, equipment, and other improvements affixed to or resting upon the lands assigned hereunder, in such manner as to be part of the realty, if any, constructed or acquired by the Secretary and assigned to the Concessioner by the Secretary for the purposes of this CONTRACT.

(b)(2) The Concessioner shall have a possessory interest to the extent provided elsewhere in this CONTRACT in capital improvements (as hereinafter defined) it makes to Government

Improvements (excluding improvements made from funds from any Section 10 accounts) with the written permission of the Secretary. In the event that such Possessory Interest is acquired by the Secretary or a successor concessioner at any time, the Concessioner will be compensated for such Possessory Interest pursuant to Section 13 hereof.

(c) The Secretary shall have the right at any time to enter upon the lands and improvements utilized by the Concessioner hereunder for any purpose he may deem reasonably necessary for the administration of the Area.

(d) The Concessioner may construct or install upon assigned lands such buildings, structures, and other improvements as are necessary for operations hereunder, subject to the prior written approval by the Secretary of the location, plans, and specifications thereof. The Secretary may prescribe the form and contents of the application for such approval. The desirability of any project as well as the location, plans and specifications thereof will be reviewed in accordance with applicable provisions of the National Environmental Policy Act of 1969 and the National Historic Preservation Act of 1966, among other requirements.

(e) If, during the term of this CONTRACT, a Government Improvement requires capital improvement (major repairs and/or improvements that serve to prolong the life of the Government

Improvement to an extent requiring capital investment for major repair), such capital improvement shall be made by the Concessioner at its expense if consistent with a reasonable opportunity for the Concessioner to realize a profit as described above. Where capital improvements to other Government facilities which directly support the Concessioner's operations under this CONTRACT are determined by the Secretary to be necessary for the accommodation of Area visitors, such improvements shall be made by the Concessioner at its expense unless the Secretary determines that expenditures for such improvements are inconsistent with a reasonable opportunity for the Concessioner to realize a profit as described above.

SEC. 5. MAINTENANCE. (a) Subject to Section 4(e) hereof, the Concessioner will physically maintain and repair all facilities (both Government Improvements and Concessioner Improvements) used the operations under this CONTRACT, including maintenance of assigned lands and all necessary housekeeping activities associated with such operations, to the satisfaction of the Secretary.

(b) In order to implement these requirements, the Secretary, acting through the Superintendent, shall undertake appropriate inspections, and, in consultation with the Concessioner, shall establish and revise as circumstances warrant a Maintenance Plan consisting of specific maintenance requirements which shall be

adhered to by the Concessioner. However, such Maintenance Plan shall not amend or alter the material rights and liabilities of the parties to this CONTRACT.

SEC. 6. CONCESSIONER'S IMPROVEMENTS. (a)(1) "Concessioner Improvements," as used herein, means buildings, structures, fixtures, equipment, and other improvements, affixed to or resting upon the lands assigned hereunder in such manner as to be a part of the realty, provided by the Concessioner for the purposes of this CONTRACT, (excluding improvements made to Government Improvements and improvements made from funds in any Section 10 accounts), as follows: (i) such improvements upon the lands assigned at the date hereof as described in Exhibit "D" hereto; and (ii) all such improvements hereafter constructed upon or affixed to the lands assigned to the Concessioner with the written consent of the Secretary.

(a)(2) Concessioner Improvements do not include any interest in the land upon which the improvements are located.

(a)(3) Any salvage resulting from the authorized removal, severance or demolition of a Concessioner Improvement or any part thereof shall be the property of the Concessioner.

(a)(4) In the event that a Concessioner Improvement is removed, abandoned, demolished, or substantially destroyed and no other

improvement is constructed on the site, the Concessioner, at its expense, shall promptly, upon the request of the Secretary, restore the site as nearly as practicable to its original condition.

(b)(1) The Concessioner shall have a Possessory Interest as defined herein in Concessioner Improvements to the extent provided by this CONTRACT.

(b)(2) Possessory Interest in Concessioner Improvements or Government Improvements shall not be extinguished by the expiration or other termination of this CONTRACT, and may not be terminated or taken for public use without just compensation as determined in accordance with Section 13. Performance of the obligations assumed by the Secretary under Section 13 hereof shall constitute just compensation with respect to the taking of Possessory Interest.

(c)(1) Possessory Interest, as the term is used in this CONTRACT, shall consist of all incidents of ownership in capital improvements made by the Concessioner, except legal title which shall be vested in the United States and subject to other limitations as set forth in this CONTRACT. Particularly, among other matters, the existence of Possessory Interest shall not be construed to include or imply any authority, privilege, or right to operate or engage in any business or other activity, and the

use or enjoyment of any structure, fixture or improvement in which the Concessioner has a Possessory Interest shall be wholly subject to the applicable provisions of this CONTRACT and to the laws and regulations relating to the Area.

SEC. 7. UTILITIES. (a) The Secretary may furnish utilities to the Concessioner, for use in connection with the operations authorized under the CONTRACT, when available, at reasonable rates to be fixed by the Secretary, in his discretion. Such rates which shall at least equal the actual cost of providing the utility or service unless a reduced rate is provided for in an established policy of the Secretary in effect at the time of billing.

(b) Should the Secretary not provide such utilities, the Concessioner shall, with the written approval of the Secretary and under such requirements as the Secretary shall prescribe, secure necessary utilities at its own expense from sources outside the Area or shall install the same within the Area with the written permission of the Secretary, subject to the following conditions:

(i) Any water rights deemed necessary by the Concessioner for use of water on Federal lands shall be acquired at its expense in accordance with applicable state procedures and law. Such water rights, upon expiration or termination of this

CONTRACT for any reason shall be assigned to and become the property of the United States without compensation.

(ii) Any utility service provided by the Concessioner under this section shall, if requested by the Secretary, be furnished to the Secretary to such extent as will not unreasonably restrict anticipated use by the Concessioner. The rate per unit charged the Secretary for such service shall be approximately the average cost per unit of providing such service; and

(iii) All appliances and machinery to be used in connection with the privileges granted in this Section, as well as the plans for location and installation of such appliances and machinery shall first be approved by the Secretary.

SEC. 8. ACCOUNTING RECORDS AND REPORTS. (a) The Concessioner shall maintain an accounting system whereby its accounts can be readily identified with its system of accounts classification. The Concessioner shall submit annually as soon as possible but not later than sixty (60) days after the 31st day of December a financial statement for the preceding year or portion of a year as prescribed by the Secretary, and such other reports and data including but not limited to, operations information, as may be required by the Secretary. Such information are subject to public release to the extent authorized by law or established policies and procedures of the

Secretary. The Concessioner's system of accounts classification shall be directly related to the Concessioner Annual Report Form issued by the Secretary. Certain of this information may be released to the public pursuant to the provisions of 36 CFR, Part 51.9. If annual gross receipts are in excess of \$1,000,000, the financial statements shall be audited by an independent certified public accountant or by an independent licensed public accountant certified or licensed by a regulatory authority of a state or other political subdivision of the United States on or before December 31, 1970, in accordance with the auditing standards and procedures promulgated by the American Institute of Certified Public Accountants. If annual gross receipts are between \$250,000, and \$1,000,000, the financial statements shall be reviewed by an independent certified public accountant or by a licensed public accountant certified or licensed by a regulatory authority of a State or other political subdivision of the United States on or before December 31, 1970, in accordance with the auditing standards and procedures promulgated by the American Institute of Certified Public Accountants. If annual gross receipts are less than \$250,000, the financial statements may be prepared without involvement by an independent certified or licensed public accountant, unless otherwise directed by the Secretary.

If the Concessioner is required to have its annual financial statement (Concessioner Annual Financial Report) audited or

reviewed, the Concessioner must use the accrual accounting method. In addition, it must include in its annual financial statement (Concessioner Annual Financial Report) a footnote that reconciles its annual financial statement to its Federal income tax returns.

(b) Within ninety (90) days of the execution of this CONTRACT or its effective date, whichever is later, the Concessioner shall submit to the Secretary a balance sheet as of the beginning date of the term of this CONTRACT. The balance sheet shall be audited by an independent certified public accountant or by an independent licensed public accountant, certified or licensed by a regulatory authority of a State or other political subdivision of the United States on or before December 31, 1970. The balance sheet shall be accompanied by a schedule that identifies and provides details for all assets in which the Concessioner claims a Possessory Interest. The schedule must describe these assets in detail showing for each such asset the date acquired, useful life, cost and book value.

(c) The Secretary and Comptroller General of the United States, or any of their duly authorized representatives, shall at any time up until the expiration of five (5) calendar years after the expiration of this CONTRACT have access to and the right to examine any of the Concessioner's pertinent books, documents, papers, and records, including Federal and state income tax

returns (collectively "documents"), and such documents of any subconcessioner related to this CONTRACT, and such documents of any proprietary or affiliate companies of the Concessioner.

SEC. 2. FEES. For the term of this CONTRACT, the Concessioner shall pay to the Secretary for the privileges granted herein fees as follows:

(a)(1) An annual fee for the use of Government Improvements assigned to the Concessioner, if any. Such fee and related Government Improvement shall be identified in Exhibit "C" hereto, and the fee may be adjusted annually to equal the fair annual value of the related Government Improvement as determined by the Secretary.

(a)(2) Thermal Water and Pool Capacity Fees: The Concessioner shall also pay for the thermal water used at the rate of twenty-five cents (\$0.25) per thousand gallons or fraction thereof.

(a)(3) Tubage Fee: Additionally, the Concessioner shall pay \$30.00 per tub per annum for each bathtub used.

(b) Except for the tubage fee which is payable in quarterly installments in advance, the aforementioned fees shall be due on a monthly basis at the end of each month and shall be paid by the

Concessioner in such a manner that payment shall be received by the Secretary within 15 days after the last day of each month that the Concessioner operates. Such monthly payments shall include the annual use fee for assigned Government Improvements, as set forth in Exhibit "C" hereto, and the pool capacity fee divided by the expected number of operating months. The payment of any additional amounts due at the end of the operating year as a result of adjustments shall be paid at the time of submission of the Concessioner's annual financial statement. Overpayments shall be offset against the following year's franchise fees due. All franchise fee payments consisting of \$10,000 or more shall be deposited electronically by the Concessioner using the Treasury Financial Communications System.

(c) An interest charge will be assessed on overdue amounts for each 30 day period, or portion thereof, that payment is delayed beyond the fifteen day period provided for above. The percent of interest charged will be based on the current value of funds to the United States Treasury as published quarterly in the Treasury Fiscal Requirements Manual.

(d)(1) The term "gross receipts," as used in this CONTRACT, shall be construed to mean the total amount received or realized by, or accruing to, the Concessioner from all sales for cash or credit, of services, accommodations, materials, and other merchandise made pursuant to the rights granted by this CONTRACT,

including gross receipts of subconcessioners as herein defined and commissions earned on contracts or agreements with other persons or companies operating in the Area, and excluding gross receipts from the sale of genuine United States Indian and native handicraft, intracompany earnings on account of charges to other departments of the operation (such as laundry), charges for employees' meals, lodgings, and transportation, cash discounts on purchases, cash discounts on sales, returned sales and allowances, interest on money loaned or in bank accounts, income from investments, income from subsidiary companies outside of the area, sale of property other than that purchased in the regular course of business for the purpose of resale, and sales and excise taxes that are added as separate charges to approved sales prices, gasoline taxes, fishing license fees, and postage stamps, provided that the amount excluded shall not exceed the amount actually due or paid Government agencies, and amounts received as a result of an add-on to recover utility costs above comparable utility charges. All monies paid into coin-operated devices, except telephones, whether provided by the Concessioner or by others, shall be included in gross receipts. However, only revenues actually received by the Concessioner from coin-operated telephones shall be included in gross receipts.

(d)(2) The term "gross receipts of subconcessioners" as used in this CONTRACT shall mean the total amount received or realized by, or accruing to, subconcessioners from all sources as a result

of the exercise of the rights conferred by subconcession contracts hereunder without allowances, exclusions, or deductions of any kind or nature whatsoever and the subconcessioner shall report the full amount of all such receipts to the Concessioner within 45 days after the 31st day of December of each year or portion of a year. Subconcessioners shall maintain an accurate and complete record of all items listed in Subsection (d)(1) of this section as exclusions from the Concessioner's gross receipts and shall report the same to the Concessioner with the gross receipts. The Concessioner shall be entitled to exclude items listed in Subsection (d)(1) in computing the franchise fee payable to the Secretary as provided for in Subsection (a) hereof.

(e)(1) Immediately following the end of the fifth year of this CONTRACT, the amount and character of the franchise fees described in this Section and/or contributions to any accounts described in Section 10 hereof (Section 10 contributions) shall be reconsidered for a period of one hundred and eighty (180) days. During this reconsideration period, the Secretary or the Concessioner may propose adjustments to such franchise fees and/or Section 10 contributions (which shall reflect their position as to the then current probable value of the privileges granted by this CONTRACT based upon a reasonable opportunity for profit in relation to both gross receipts and capital invested) by mailing written notice to the other party of

such proposal before the end of the reconsideration period. If no such notices are duly mailed, the reconsideration shall end and the fees and contributions shall remain the same until the occurrence of the next reconsideration period.

(e)(2) If the Secretary or the Concessioner duly makes a proposal to adjust the franchise fees and/or Section 10 contributions before the end of the reconsideration period, they shall, commencing the day after the end of the reconsideration period, undertake a good faith negotiation of the proposal. If such negotiation does not result in an agreement as to adjustments to the fees and/or contributions within sixty (60) days of its commencement, this negotiation period shall end and any adjustments determined by the Secretary as of that time shall go into effect, provided that, the Concessioner may extend this negotiation period by appealing such adjustments to the Secretary. Such appeal must be received by the Secretary within thirty (30) days after the end of the sixty day negotiation period. The appeal must be in writing and include the Concessioner's detailed position as to the validity of such adjustments to the fees and/or contributions. The Secretary, acting through a designee other than the official who determined the adjustments from which the Concessioner duly has appealed, shall consider the position of the Concessioner and related documents as appropriate, and, if applicable, the written views of the mediator as described below. The Secretary shall then make

a written final determination of appropriate adjustments to franchise fees and/or Section 10 contributions consistent with the probable value to the concessioner of the privileges granted by this CONTRACT based upon a reasonable opportunity for profit in relation to both gross receipts and capital invested. This final determination, or, where applicable, a determination as to adjustments made at the end of the sixty day negotiation period described above from which the Concessioner fails to timely appeal, shall be conclusive and binding upon the parties to this CONTRACT.

(e)(3) Adjustments to franchise fees and/or Section 10 contributions resulting from the process described herein shall be retroactive to the commencement of the applicable contract period for which a notice of reconsideration was given. Payments or contributions made in arrears shall include interest at a percent based on the current value of funds to the United States Treasury as published quarterly in the Treasury Fiscal Requirements Manual. The adjustments shall also be effective for the remaining term of this CONTRACT, subject to the results of any further reconsideration periods. If an adjustment to franchise fees and/or Section 10 contributions results in higher fees and/or contributions, the Concessioner will pay all back franchise fees due (with applicable interest) and make all Section 10 contributions due (with applicable interest) at the time of the next regular franchise fee payment or Section 10

contribution respectively. If an adjustment results in lower fees and/or contributions, the Concessioner may withhold the difference from future franchise fee payments or Section 10 contributions until the Concessioner has recouped the overpayment. Adjustments to franchise fees and/or Section 10 contributions will be embodied in an amendment to this CONTRACT unless resulting from a determination of the Secretary without the agreement of the Concessioner in which event a copy of such determination shall be attached to this CONTRACT and become a part hereof as if originally incorporated herein. During the pendency of the process described herein, the Concessioner shall continue to make the established franchise fee payments and/or Section 10 contributions required by this CONTRACT.

(e)(4) In connection with an appeal to the Secretary hereunder, the Concessioner may request mediation of appropriate adjustments to franchise fees and/or Section 10 contributions by providing a written request for mediation with its appeal to the Secretary as described above. The mediation will be conducted by the American Arbitration Association (AAA) or a similar organization chosen by the Secretary and take place in Washington D.C. The purpose of the mediation shall be to provide for the Secretary's consideration during such appeal the views of the mediator as to appropriate adjustments of franchise fees and/or Section 10 contributions consistent with the probable value to the Concessioner of the privileges granted by this CONTRACT based

upon a reasonable opportunity for profit in relation to both gross receipts and capital invested. The written views of the mediator shall be provided to the Secretary within ninety (90) days of the request for mediation unless, because of extenuating circumstances, the Secretary determines that an extension of this time period is warranted. If such views are not provided within this time period (or a duly extended time period), the advisory mediation shall terminate and the Secretary shall make a determination on the appeal as if the mediation had not been requested. The Concessioner and the Secretary shall cooperate in good faith to permit the views of the mediator to be provided within the applicable time period. The Secretary and the Concessioner shall share equally the costs of the services of the mediator and the mediation organization. The views of the mediator are advisory only.

(e)(5) The mediator shall be selected by agreement between the Concessioner and the Secretary from a list provided by the mediation organization within ten (10) days of receipt. Promptly following the selection, the Secretary shall schedule a date for the mediation meeting to take place at which time the written positions of the Concessioner and the Secretary shall be presented to the mediator along with appropriate oral presentations unless advance submissions are agreed upon. The mediator shall not have the power to compel the production of documents or witnesses and shall not receive or take into account

information or documents concerning positions taken by the Concessioner or the Secretary in the negotiations which preceded the request for mediation. The mediator shall consider the written submissions and any oral presentations made and provide his or her written views as described above to the Secretary within ninety (90) days of the request for mediation, or, if applicable, by the last day of a duly extended time period.

SEC. 10. ACCOUNTS. No Government Improvement or Capital Improvement Accounts are included in this CONTRACT.

SEC. 11. BOND AND LIEN. The Secretary may, in his discretion, require the Concessioner to furnish a surety bond acceptable to the Secretary, conditioned upon faithful performance of this CONTRACT, in such form and in such amount as the Secretary may deem adequate, not in excess of five thousand dollars (\$5,000). As additional security for the faithful performance by the Concessioner of all of its obligations under this CONTRACT, and the payment to the Government of all damages or claims that may result from the Concessioner's failure to observe such obligations, the Government shall have at all times the first lien on all assets of the Concessioner within the area.

SEC. 12. TERMINATION. (a)(1) The Secretary may terminate this CONTRACT in whole or part for default at any time and may terminate this CONTRACT in whole or part when necessary for the

purpose of enhancing or protecting area resources or visitor enjoyment or safety.

(a)(2) Operations under this CONTRACT may be suspended in whole or in part at the discretion of the Secretary when necessary to enhance or protect Area resources or visitor enjoyment or safety.

(a)(3) Termination or suspension shall be by written notice to the Concessioner and, in the event of proposed termination for default, the Secretary shall give the Concessioner a reasonable period of time to correct stated deficiencies.

(a)(4) Termination for default may be utilized in circumstances where the Concessioner has breached any requirement of this CONTRACT, including, but not limited to, failure to maintain and operate accommodations, facilities and services to the satisfaction of the Secretary in accordance with the Secretary's requirements hereunder.

(b) In the event of termination or expiration of this CONTRACT, the total compensation to the Concessioner for such termination or upon expiration shall be as described in Section 13, ("Compensation") of the CONTRACT.

(c) In the event it is deemed by the Secretary necessary to suspend operations under this CONTRACT in whole or in part to

enhance or protect Area resources or visitor enjoyment or safety, the Secretary shall not be liable for any compensation to the Concessioner for losses occasioned thereby, including but not limited to, lost income, profit, wages or other monies which may be claimed.

(d) To avoid interruption of services to the public upon the expiration or termination of this CONTRACT for any reason, the Concessioner, upon the request of the Secretary, shall (i) continue to conduct all operations hereunder for a reasonable period of time to allow the Secretary to select a successor concessioner, or (ii) consent to the use by a temporary operator, designated by the Secretary, of Concessioner Improvements and personal property, if any, not including current or intangible assets, used in operations hereunder upon fair terms and conditions, provided that the Concessioner shall be entitled to an annual fee for the use of such improvements and personal property, prorated for the period of use, in the amount of the annual depreciation of such improvement and personal property, plus a return on the book value of such improvements and personal property equal to the prime lending rate, effective on the date the temporary operator assumes managerial and operational responsibilities, as published by the Federal Reserve System Board of Governors or as agreed upon by the parties involved. In such circumstances, the method of depreciation applied shall be either straight line depreciation or depreciation as shown on the

concessioner's Federal Income Tax Return.

SEC. 13. COMPENSATION. (a) Just Compensation: The compensation described in this Section shall constitute full and just compensation to the Concessioner from the Secretary for all losses and claims occasioned by the circumstances described below.

(b) Contract expiration or termination where operations are to be continued: (b)(1) If for any reason, including contract expiration or termination as described herein, the Concessioner shall cease to be required by the Secretary to conduct operations hereunder, or substantial part thereof, and, at the time of such event the Secretary intends for substantially the same or similar operations to be continued by a successor, whether a private person, corporation or an agency of the Government, (i) the Concessioner shall sell and transfer to the successor designated by the Secretary its possessory interest in Concessioner Improvements and Government Improvements, if any, as defined under this CONTRACT, and all other tangible property of the Concessioner used or held for use within the Area in connection with such operations; and (ii) the Secretary will require such successor, to purchase from the Concessioner such possessory interests, if any, and such other property, and to pay the Concessioner the fair value thereof.

(b)(2) The initial fair value of any Possessory Interest in Concessioner Improvements in existence before the effective date of this CONTRACT shall be \$358,070 of the effective date of the CONTRACT. This initial fair value amount shall annually decrease by 1/30th (i.e., over 30 years) of this amount. In the event of CONTRACT termination or expiration, the Concessioner's right to fair value for such Possessory Interest shall be the amount not yet so decreased. The fair value of any Possessory Interest in Government Improvements in existence before the effective date of this CONTRACT shall be the book value of the improvements as of the last day of the contract under which such Possessory Interest was obtained, subject to further reduction pursuant to the applicable depreciation schedule of such improvements.

(b)(3) The fair value of Possessory Interest in Concessioner Improvements and Government Improvements made after the effective date of this CONTRACT shall be, unless calculated in accordance with Section 13(d) hereof, the original cost of the improvements less straight line depreciation over the estimated useful life of the asset according to Generally Accepted Accounting Principles, provided, however, that in no event shall any such useful life exceed 30 years. In the event that such Possessory Interest is acquired by a successor, the successor will not be permitted to revalue such Possessory Interest, or, alter its depreciation schedule or useful life.

Any such property that has not been removed by the Concessioner within a reasonable time following such determination shall become the property of the United States without further compensation therefor.

(d) Contract Termination for Default for Unsatisfactory Performance. Notwithstanding any other provision of this CONTRACT to the contrary, in the event of termination of this CONTRACT for default for failure to maintain and operate accommodations, facilities and services hereunder to the satisfaction of the Secretary in accordance with the Secretary's requirements compensation for Possessory Interest in Concessioner Improvements, if any, except for Possessory Interest in Concession Improvements in existence before the effective date of this CONTRACT shall be as set forth in Subsection 13(b) hereof or at book value, whichever is less.

The Secretary will exercise his discretion as to whether and/or under what conditions a proposed transaction will be approved in accordance with established policies and procedures.

(a)(3) Failure to comply with this provision or the procedures described herein shall constitute a material breach of this CONTRACT for which this CONTRACT may be terminated immediately by the Secretary without regard to the procedures for termination for default described in Section 12 hereof, and, the Secretary shall not be obliged to recognize any right of any person or entity to an interest in this CONTRACT or to own or operate operations authorized hereunder acquired in violation hereof.

thereby acquire operating rights or privileges which shall be subject to the disposition of the Secretary.

SEC. 15. APPROVAL OF SUBCONCESSION CONTRACTS. All contracts and agreements (other than those subject to approval pursuant to Section 14 hereof) proposed to be entered into by the Concessioner with respect to the exercise by others of the privileges granted by this CONTRACT in whole or part shall be considered as subconcession contracts and shall be submitted in advance of execution to the Secretary for his approval and shall be effective only if approved. However, agreements with others to provide vending or other coin-operated machines shall not be considered as subconcession contracts. In the event any such subconcession contract or agreement is approved, the Concessioner shall pay to the Secretary within sixty (60) days after the 31st day of December each year or portion of a year a sum equal to FIFTY PERCENT (50%) of any and all fees, commissions, or compensation payable to the Concessioner thereunder, which shall be in addition to the franchise fee payable to the Secretary on the gross receipts of subconcessioners as provided for in Section 9 of this CONTRACT.

(a)(2) The types and amounts of insurance coverage purchased by the Concessioner shall be approved by the Secretary.

(a)(3) At the request of the Secretary, the Concessioner shall, annually, or at the time insurance is purchased, provide the Secretary with a Statement of Concessioner Insurance and Certificate of Insurance, as evidence of compliance with this section and shall provide the Secretary thirty (30) days advance written notice of any material change in the Concessioner's insurance program hereunder.

(a)(4) The Secretary will not be responsible for any omissions or inadequacies of insurance coverages and amounts in the event the insurance purchased by the Concessioner proves to be inadequate or otherwise insufficient for any reason whatsoever.

(b) Property Insurance. (b)(1) In that the Buckstaff Bathhouse (Building 102) will not be replaced if destroyed, the Concessioner will not be required to purchase fire insurance

coverage at full replacement value. The Concessioner will, in the event of damage, repair those buildings, structures, equipment, furnishings, betterments and improvements and merchandise determined by the Secretary to be necessary to satisfactorily discharge the Concessioner's obligations under this CONTRACT and for this purpose shall provide actual cash value insurance coverage on both Concessioner Improvements and Government Improvements in such amounts as the Secretary may require during the term of the CONTRACT. Those values currently in effect are set forth in Exhibit "E" to this CONTRACT. This exhibit will be revised at least every three (3) years, or sooner if there is a substantial increase in value.

(b)(2) Such insurance shall provide for the Concessioner and the United States of America to be named insured as their interest may appear. In the event of loss, the Concessioner shall use all proceeds of such insurance to repair or restore Concessioner Improvements and Government Improvements, equipment, furnishings and other personal property hereunder, as directed by the Secretary. The lien provision of Section 11 shall apply to such insurance proceeds.

(c) Additional Property Damage Requirements--Government Improvements, Property and Equipment. The following additional requirements shall apply to structures, all or any part of which are "Government Improvements" as defined in this CONTRACT.

(c)(1) The Insurance policy shall contain a loss payable clause approved by the Secretary which requires insurance proceeds to be paid directly to the Concessioner without requiring endorsement by the United States.

(c)(2) The use of insurance proceeds for repairing Government Improvements will not alter their character as Government Improvements and notwithstanding any provision of this CONTRACT to the contrary, the Concessioner shall gain no Possessory Interest therein.

(d) Public Liability (d)(1) The Concessioner shall provide Comprehensive General Liability insurance against claims occasioned by actions or omissions of the Concessioner in carrying out the activities and operations authorized hereunder.

(d)(2) Such insurance shall be in the amount commensurate with the degree of risk and the scope and size of such activities authorized herein, but in any event, the limits of liability shall not be less than \$300,000 per occurrence covering both bodily injury and property damage. If claims reduce available insurance below the required per occurrence limits, the Concessioner shall obtain additional insurance to restore the required limits. An umbrella or excess liability policy, in addition to a Comprehensive General Liability Policy, may be used to achieve the required limits.

(d)(3) From time to time, as conditions in the insurance industry warrant, the Secretary reserves the right to revise the minimum required limits.

(d)(4) All liability policies shall specify that the insurance company shall have no right of subrogation against the United States of America or shall provide that the United States of America is named an additional insured.

(d)(5) The Concessioner shall also obtain the following additional coverages at the same limits as required for Comprehensive General Liability insurance unless other limits are specified below.

(1) Automobile Liability - To cover all owned, non-owned and hired vehicles. - Statutory.

(2) Workers' Compensation - Statutory.

SEC. 18. GENERAL PROVISIONS

(a) Reference in this CONTRACT to the "Secretary" shall mean the Secretary of the Interior, and the term shall include his duly authorized representatives.

(b) The Concessioner is not entitled to be awarded or to have negotiating rights to any Federal procurement or service contract by virtue of any provision of this CONTRACT.

(c) Notwithstanding any other provision hereof, the Secretary reserves the right to provide directly or through cooperative or other nonconcession agreements with non-profit organizations any accommodations, facilities or services to area visitors which are part of and appropriate to the Area's interpretive program.

(d) That any and all taxes which may be lawfully imposed by any State or its political subdivisions upon the property or business of the Concessioner shall be paid promptly by the Concessioner.

(e) No member of, or delegate to, Congress or Resident Commissioner shall be admitted to any share or part of this CONTRACT or to any benefit that may arise herefrom but this restriction shall not be construed to extend to this CONTRACT if made with a corporation or company for its general benefit.

(f) This CONTRACT may not be extended, renewed or amended in any respect except when agreed to in writing by the Secretary and the Concessioner.

IN WITNESS WHEREOF, the parties hereto have hereunder subscribed their names and affixed their seals.

(8) The Concessioner will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, as amended by Executive Order No. 11375 of October 13, 1967, so that such provisions will be binding upon each subcontractor or vendor. The Concessioner will take such action with respect to any subcontract or purchase order as the Secretary may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event the Concessioner becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Secretary, the Concessioner may request the United States to enter into such litigation to protect the interests of the United States.

B. It also allows for a wide range of methods and techniques for achieving the intent of the law and calls for consultation with disabled persons in determining what is reasonable and feasible.

No handicapped person shall, because a Concessioner's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from

participation in, or otherwise be subject to discrimination under any program or activity receiving Federal financial assistance or conducted by any Executive agency or by the U.S. Postal Service.

3. Provide a qualified handicapped person with an aid, benefit, or service that is not as effective as that provided to others;
4. Provide different or separate aids, benefits, or services to handicapped persons or to any class of handicapped persons unless such action is necessary to provide qualified handicapped persons with aid, benefits, or service that are as effective as those provided to others;

5. Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to any agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or services to beneficiaries of the recipient's program;

**OPERATING PLAN
BETWEEN
HOT SPRINGS NATIONAL PARK
AND
THE BUCKSTAFF BATH HOUSE COMPANY
CONCESSION CONTRACT No. CC-HOSP002-94**

INTRODUCTION

This Operating Plan between The Buckstaff Bath House Company (herein referred to as the "Concessioner") and Hot Springs National Park (herein referred to as the "Service") will serve as a supplement to the Concession Contract CC-HOSP002-94 referred to as the "Contract." It describes specific operating responsibilities of the Concessioner and the Service with regard to those lands and facilities within Hot Springs National Park, which are assigned to the Concessioner for the purposes required and authorized by this Contract.

In the event of any conflict between the terms of this Contract and this Operating Plan, the terms of this Contract, including its designations and amendments, shall prevail.

This Plan will be reviewed annually by the Superintendent in consultation with the Concessioner and revised as determined necessary by the Superintendent of Hot Springs National Park.

Any revisions shall not be inconsistent with the main body of this Contract. Any revisions must be reasonable and in furtherance of the purposes of this Contract.

I. MANAGEMENT, ORGANIZATION, AND RESPONSIBILITIES

A. Concessioner

1. The Concessioner will employ an on-site manager, who carries out the policies and directives of the NPS as well as those of the Concessioner in the operation of the authorized Concession Facilities and Visitor Services in Hot Springs National Park. The Concessioner must designate one representative who has full authority to act as a liaison in all concession matters within Hot Springs National Park.
2. The on-site manager will employ a staff with the expertise to operate all Visitor Services required and authorized under this Contract and furnish the NPS with an initial list identifying key concession management and supervisory personnel and their job titles, with updates as changes occur.

B. Service

1. The Superintendent manages the total park operation and carries out the policies and directives of the Service, including management of Concessioner operations.
2. The Superintendent's Office coordinates the functions of all park divisions relating to concession operations. This office ensures necessary evaluations and inspections are performed, including those required by the Public Health Service (PHS), Park Safety Manager (including fire inspections), and the Concessioner Review Program.
3. The Concessions Specialist reviews and coordinates the Concessioner's day-to-day activities; operational and maintenance activities; rate, service, and schedule changes; equal employment opportunity and affirmative action plans; advertisements; construction proposals; annual financial reports; insurance coverage; and any other contractual requirements.

II. CONCESSION OPERATIONS

The operation of Concession Facilities, and Visitor Services required and authorized by this Contract will conform to the evaluation standards set forth in current National Park Service Concessions guidelines.

A. Operational Evaluations

1. All Visitor Services and Concession Facilities will be inspected to:
 - Ensure public health and safety
 - Ensure that satisfactory services are provided
 - Ensure that buildings and equipment are well maintained
 - Ensure that employee working conditions are satisfactory
2. The NPS and the Concessioner will inspect and monitor Concession Facilities and Visitor Services.
3. The Concessioner will ensure that requirements are adhered to with respect to applicable standards, authorized rates, safety, and public health.
4. The Concessioner will ensure that impacts to cultural and natural resources are minimized.
5. The results of the evaluations will be forwarded to the Concessioner by the NPS in a timely manner.
6. The Concessioner will cooperate with the NPS in scheduling inspections and in accompanying NPS staff if requested.

7. The Concessioner is required to comply with correction dates or to establish abatement plans to correct deficiencies.
8. The Concessioner will perform annual interior and exterior fire and safety inspections of all Concession Facilities. Written records, verifying the completion of such inspections, will be maintained by the Concessioner and available to the NPS upon request.
9. The NPS reserves the right, in accordance with this Contract, to enter the Concessioner Facilities at any reasonable time for any inspection or when otherwise deemed necessary.

B. Rates

1. The Concessioner will submit written requests for all rate increases at least 45 days prior to anticipated implementation date. Requests for rate changes will be processed as expeditiously as possible. Should special conditions require a quicker than normal response, the Concessioner will clearly explain these conditions in writing in the request. Such requests shall include pertinent information about the rate, product or service proposed. This includes but is not limited to: length of service, amenities provided, etc. If the format of the request is unsatisfactory, the Concessioner will be required to resubmit the proposal and the date of submittal will begin upon the receipt of the revised proposal. The Superintendent will advise the Concessioner in writing of approval or disapproval of requested rates and give reasons for failure to approve any rate. A list of current rates for required services is attached as Appendix A to this Plan.
2. Periodic, unannounced checks will be made by the NPS personnel for compliance with approved rate schedules. Requests to examine Concessioner invoice records in connection with these price checks will be made concurrently by the Superintendent.
3. The Service will approve, disapprove, or adjust rates and will inform the Concessioner of the reason for any disapproval or adjustment within 45 days of the rate request submittal. If the Concessioner requests a quicker response, the Service will attempt to accommodate this request; however, this will not be normal procedure. If a longer response period is needed, the Service will contact the Concessioner and negotiate a response date.
4. The Concessioner will prominently post all rates for goods and services provided to the visiting public. Approved rates are to be the maximum charged the visiting public. Under no circumstances will higher prices be charged.
5. For gifts and souvenirs, the approved merchandising rate approval method is the Competitive Market Declaration method that allows Concessioners to price

merchandise at their own rates. These rates are subject to review, but not approval by the Service. The Superintendent may rescind this method if visitor complaints are frequent because prices are not reasonable.

6. For bathing and salon services, the approved rate method will be the Simplified Review of Similar Services as there are numerous comparable services in the surrounding community.

7. Reduced rates for government employees and others. Goods and services may not be provided to government employees or their families without charge or at reduced rates except as are available to the general public.

C. Schedule of Operation

1. The Concessioner will provide the required and authorized Visitor Services for Hot Springs National Park visitors on a year-round basis. The NPS will give reasonable notice of any schedule changes that it may initiate. The schedule of core operating hours is attached as Appendix B to the Plan.

2. The Concessioner is authorized to extend the hours of operations beyond the core hours if the visitor needs exists. However, the Concessioner is not allowed to reduce the core hours without the prior written approval of the Superintendent except for emergency closures. The Concessioner is responsible for notifying the public of changes in operating hours or periods of closure on the exterior of the building.
